

A digital day

WITH IT VIZION AND SEEQ

27 November 2023

Bucharest, RO

Event Agenda

Welcome and Introduction

9:00 AM - 9:30 AM

Welcome participants and provide an overview of the agenda.

Microsoft Azure Overview: Microsoft

9:30 AM - 9:45 AM

Welcome participants and provide an overview of the agenda.

Session 1: Leveraging Microsoft and Seeq for Industrial Data Analytics

9:45 AM - 10:15 AM

Understanding the synergy between Microsoft's enterprise solutions and Seeq's self-service analytics.

Learn how Microsoft Azure can enhance Seeq analytics capabilities.

Real-world examples of successful industrial analytics powered by Microsoft and Seeq.

Break and Networking

10:15 AM - 10:30 AM

Short break for networking, discussion, and questions.

Session 2: Seeq Overview and Integration with Microsoft Technologies

10:30 AM - 11:15 AM

In-depth exploration of Seeq's self-service analytics platform.

Key features and functionalities of Seeq for self-service industrial data analysis.

Seamless integration with Microsoft Azure, Power BI, and other tools.

Session 3: Hands-On Workshop - Implementing Seeq in a Microsoft Environment

11:15 AM - 12:00 PM

Live demonstration of setting up a Seeq project within Microsoft Azure.

Data import and preparation using Azure tools.

Creating and customizing analytics dashboards with Power BI.

Networking Lunch Break

12:00 PM - 1:00 PM

Participants are encouraged to take a break and network.

Session 4: Advanced Analytics with Seeq in a Microsoft Ecosystem

1:00 PM - 2:00 PM

Exploring advanced analytics techniques, including machine learning and AI, within a Microsoft-Seeq environment.

Case studies showcasing advanced analytics for predictive maintenance and optimization.

Break and Networking

2:00 PM - 2:15 PM

Another opportunity for participants to network and ask questions.

Session 5: Success Stories from Microsoft Enterprise Customers: OMV Petrom Upstream

2:15 PM - 3:00 PM

Hearing from Microsoft enterprise customers who have successfully implemented Seeq.

Learning about their challenges, solutions, and the value they've derived from the partnership.

Q&A session with guest speakers.

Session 6: Scaling and Expanding with Microsoft and Seeq

3:00 PM - 3:45 PM

Discussing strategies for scaling analytics projects within an enterprise.

Exploring licensing and support options for Microsoft-Seeq deployments.

Best practices for maximizing the ROI on this integrated solution.

Closing Remarks

3:45 PM - 4:00 PM

Summarizing the key takeaways from the day's sessions.

Next steps for Microsoft enterprise customers interested in implementing Seeq in their organizations.

Thanking participants, speakers, and sponsors.

Optional One-on-One Consultations

4:00 PM - 5:00 PM

Participants have the opportunity to schedule one-on-one consultations with Seeq, Microsoft and IT Vizion experts for personalized guidance and assistance.
